

Workshop regulations "Ocean of Changes"

I. GENERAL CONDITIONS

1.1. The organizer of the workshop "*Ocean of Changes*" is the Institute of Oceanology Polish Academy of Sciences, Powstańców Warszawy St. 55, 81-712 Sopot, Poland; in co-operation with Sopot Science Association, Powstańców Warszawy St. 55, 81-712 Sopot and Today We Have Powstańców Warszawy St. 71/1, 81-712 Sopot.

1.2 The project is intended for students of primary and secondary schools who are interested in maritime issues, and will be happy to take part in the workshops, in the International Youth Conference entitled "*Where the World is heading*", and in the Sopot Science Day entitled "*Ocean of Changes*" as part of the World Ocean Day.

1.3 One workshop group may have up to **30 participants. Age groups: 10-12; 13-15; 16-18.** The "*Ocean of Change*" workshops **last about 2.5 hours.** The organizers reserve the right to change the schedule of classes, which will be communicated to the group supervisors (by e-mail, by phone or in person).

1.4 The workshops are held at the Institute of Oceanology of the Polish Academy of Sciences in Sopot, ul. Powstańców Warszawy 55. In special circumstances, the workshops may be conducted on the premises of the School or online.

1.5 The Regulations constitute the basis of the "*Ocean of Changes*" workshops and define the rights and obligations of its participants.

II. WORKSHOP OBJECTIVES

2.1 Our goal is to raise environmental awareness in the field of, in particular, human-ocean interactions.

2.2 Our goal is to build a community whose representatives recognize the sense of the implementation of the UN Sustainable Development Goals.

III. PARTICIPATION IN THE PROJECT

3.1 Participation in the workshops is free and voluntary.

3.2 By sending a competition application, the participant accepts the competition rules described in these regulations.

3.3 Participation in the workshops is an incentive to participate in other events related to the Project, ie the International Youth Conference and the Sopot Science Day, but does not oblige to participate.

3.4 For the best projects presented at the International Youth Conference entitled "*Where the World is heading*" we anticipate awards. As part of the Sopot Science Day entitled "*Ocean of Changes*" we will provide a stand for the presentation of their projects and will receive a certificate of volunteering. Both events are an integral part of the Open Science Days.

3.5 The organizers reserve the right to use and process personal data, use the image of participants (photos and video recordings) for informational, promotional and scientific purposes related to the “Ocean of changes” workshops.

3.6 Participants of the workshops agree to the use of their data provided to the Organiser’s information, as well as photos and video recordings with their participation in accordance with the Personal Data Protection Act of August 29, 1997 (Journal of Laws of 2002, No. 101 item 926 as amended).

3.7 Participation in the workshops is tantamount to consent to the publication of photos, videos with the image of the participant on the organizers’ websites, as well as social networks: Facebook, Instagram of the organizers of the “Ocean of Changes” workshops.

3.8 In the case of minors, the teacher is obliged to collect consents from legal guardians for the publication of the image of minors.

3.9 Participation in the “Ocean of Changes” workshops is tantamount to consent to the publication of your creative work created during the workshops on the organizers’ websites, as well as on social networks: Facebook, Instagram of the organizers of the “Ocean of Changes” workshops.

IV. FINAL PROVISIONS

4.1 The organizers are not responsible for reaching and returning from the place of the workshop.

4.2 Participants of the “Ocean of Changes” workshops are obliged to comply with the provisions, regulations and regulations in force at the place of the workshops.

4.3 Each participant of the workshop is required to behave in a disciplined and cultured manner. Participants are also obliged to respect the property of the facility, observe the safety rules during classes and to be polite with colleagues, teachers and other people.

4.4 The workshops are conducted by employees of the Institute of Oceanology of the Polish Academy of Sciences, educators experienced in working with children and youth. In exceptional situations (e.g. large undisciplined group), employees and educators may shorten or stop classes.

4.5 During the classes, the teachers takes care of the children.

4.6 The organizers should be informed immediately of any irregularities noticed during the workshops.

4.7 In matters not covered by the Regulations, the provisions of the Civil Code shall apply.
